

ARCHITECTURE BY CHILDREN DRAWING CONTEST 2018

Have you ever thought how certain places create fond memories? Do you have a great memory of a particular building? Maybe it's your first day of school, an event at a park, or walking through a museum. Great architecture can be a big part of our memories in life. Think of one of your favorite buildings and draw it by hand on the entry form. Be creative and use whatever medium you'd like - crayons, colored pencil, markers, etc. A panel of judges comprised of design professionals will choose the winners. One winner from each region and from each grade level (K-3 or 4-6) will be chosen and will receive a \$25 prize. There will also be two state-wide grand prize winners selected (one in K-3 grade category and one in 4-6 grade category) who will each receive a \$50 grand prize and be featured on the IAF's website. *Check out the Foundation's website for regions.*

This contest is generously sponsored by Holmes Murphy.

Entries must be postmarked by March 2nd, 2018 and will not be returned. Please be sure to read all the rules and regulations.
